

# Company Profile

# Introduction

We are a professionally managed organization involved in offering esteemed services of Container Trucks, Trailers, Close Body Trucks and other cargo vehicles for the past 3 years. These trucks are highly capacious and voluminous loads can be transported in a single journey. In addition to this, we also offer efficient Logistics Services. It is our endeavor to safely supply the consignment from the place of production to the place of its ultimate consumption.

We are able to meet the deadlines and render our clients exceptional services. Our expertise lies in offering timely, accurate and capable performance road service all across the nation. Being a client centric organization, we always ensure customer satisfaction and therefore, all the consignments are handled by us with great care. This further ensures that the items remain damage free and safe and during the transit.

# About Us

OM CARGO SERVICES is one of India's finest transport companies with more than 3 years experience in Domestic Moving Service we offer high quality storage services. We are backed by a dedicated team of customer oriented office staff, trained & experienced moving team, offices across the country, self-owned warehouses and fleet of vehicles. The operation has been built around understanding the client's requirements and offering a full logistics package delivered by knowledgeable staff.
